

Duleepa Edirisinghe

Computer Science Undergraduate at University of Colombo School of Computing

duleepa24@gmail.com | +94 783 152 739 | portfolio | duleepa-edirisinghe | duleepa-a

Personal Profile

A self-motivated and hardworking third-year undergraduate with a GPA of 3.82 who strives to gain valuable experience while contributing to organizational goals. Passionate about creating innovative applications and eager to quickly learn and adapt to emerging technologies. Currently preparing for research in the area of code bloating in operating system kernels, with a strong interest in exploring performance optimization and system-level security.

Education

2023 - present — Bachelor of Science Honours in Computer Science (GPA: 3.82/4.0)
University of Colombo School of Computing (UCSC) (Rank : 8th)

2022 — GCE Advanced Level (2021/2022) Grades: 3A's (Z-Score : 2.34)
Ananda College, Colombo

Projects

SchoolWay — Next.js Web and React Native Mobile App — Ongoing
3rd Year Group Project — Link to Web Repo & Link to Mobile Repo

A system connecting parents, students, and van services for safe and reliable school transportation. Features include real-time GPS tracking, QR-based attendance, optimized van routing, online payments, and role-based access for all users.
Technologies: React.js, React Native (Expo), Node.js, PostgreSQL (PostGIS), Google Maps API, Stripe

BookMart — Out of scratch with no frameworks — 2024
2nd Year Group Project — Link to Repo

A centralized platform connecting local bookstores, booksellers, buyers, and couriers to facilitate buying and selling of new and second-hand books. Features include search/filter, role-based access, online payments, inventory management, auctions, order tracking, reviews, chat, advertisements, and delivery coordination with OTP verification.
Technologies: HTML, CSS, JavaScript, PHP, MySQL, Apache, Google Maps API, Stripe, SMTP

Oasis — Next.js Web Application — 2025
Individual Project — Link to Repo

A competition platform for algorithmic and buildathon challenges. Competitors register with unique names and join into teams, solve algorithmic problems first, and unlock buildathon tasks via flag submission. Admins manage challenges, submissions, and leaderboards. Integrated with Judge0 CE API for code execution.
Technologies: Next.js, React, TypeScript, Prisma, PostgreSQL, Tailwind CSS, Judge0 CE API

P2P Chat App — React Native Mobile App with Ballerina Backend — Ongoing
Hackathon Project — Link to back-end repo & Link to front-end repo

A peer-to-peer decentralized chat app with real-time messaging using WebRTC. A Ballerina-based signaling server establishes secure P2P connections, ensuring privacy and low latency.
Technologies: React Native, Ballerina, WebRTC, Expo

ZellMart — MERN Stack Web Application 2024
University Assignment Link to Repo
A full-stack e-commerce platform with two user roles: Managers and Customers. Managers handle inventory, product management, and orders, while customers browse, view details, and place orders.
Technologies: React.js, Node.js, Express.js, MongoDB, JWT, Tailwind CSS

Professional Certifications

2025 Microsoft Certified: Azure Fundamentals: (AZ-900) **Microsoft**
2024 AWS Educate Introduction to Cloud 101 **AWS Educate**

Academic Achievements

2023 – 2024 **Director's List for Academic Excellence** - University of Colombo School of Computing
Recognized for outstanding academic performance in
2023 (1st Year – Semester 2) and 2024 (2nd Year – Semesters 1 & 2).

Competitions

2025 **Duothan 5.0** *IEEE Student Branch - NSBM Green University*
Hackathon to develop a system solving a real-world problem; Selected as **Finalists**.
Technologies: NEXT.js, PostgreSQL, Neondb

2024 **GENESIZ'24** *Electronic, Robotic Innovation club of KDU*
Ideathon focused on generating and pitching innovative ideas; Selected as **Finalists**.

2024 **HackX 9.0 (Inter-University Startup Challenge)** *IMSSA - University of Kelaniya*
Ideathon for brainstorming and presenting startup solutions; Reached **Semi-Finals**.

Volunteer Experience

2025 - present **Editor**, Executive Committee at **Rotaract Club of UCSC**
Managed editorial content, publications, and communications; enhanced visibility and impact of the club.

2024 - 2025 **Member**, Community Services Avenue at **Rotaract Club of UCSC**
Participated in planning and executing community service initiatives creating positive social impact.

2023 - 2024 **Member**, Professional Development Avenue at **Rotaract Club of UCSC**
Organized a podcast series promoting knowledge-sharing and professional growth.

Skills

Languages	C, C++, Python, JavaScript, HTML, CSS, PHP, R, Octave, Scala
Framwork & Libraries	Next.js, React.js, MERN Stack, React Native, Tailwind CSS
Databases	MySQL, PostgreSQL, MongoDB
Technologies & Tools	Git, Prisma ORM, Postman, Linux, Canva, Figma
Soft Skills	Problem-Solving, Team Collaboration, Communication, Leadership, Adaptability, Time Management, Critical Thinking
